

**Declination of Employment
with the Internal Revenue Service
if Salary Offset Waiver is not Granted
DECLINATION OF EMPLOYMENT WITHOUT A WAIVER**

Statement:

This documents my decision not to accept employment with the Internal Revenue Service to the position listed on the Department of the Treasury Dual Compensation Waiver Request Form unless a salary offset waiver is granted. I will not accept the position if my pay or retirement is reduced.

If reemployed as an annuitant, I understand that I serve at the will of the appointing official, per 5 U.S.C. 3323. Therefore, the IRS may adjust my work schedule or terminate my employment without substantial notice.

I certify that I did not receive a Voluntary Separation Incentive Payment (VSIP) (commonly referred to as a buyout). In addition, if I am currently employed, I decline consideration for a retention incentive.

I also understand that annuitants working with a salary offset waiver are covered by Social Security and may not make retirement contributions or participate in the Thrift Savings Plan per 5 CFR 553.203.
